Steve - can I get clarification on observation 1c. Which analyte is being referred to?

Thanks.

Subject: Part A: Pavillion Phase V ADQ report

Rick-

This is the first installment of the ADQ reports for Pavillion Phase V.

I will contact Shaw regarding the Recommended Corrective Action for 2a.

I anticipate to have a draft report from Neptune by COB tomorrow for the remainder of the data with the exception of the Las Vegas data. It will be delivered by COB Wed.
